 Austin, Texas, March 26, 1918.
 Hon. E. A. Decherd, President Pro Tem, of the Senate.

Sir: Your Committee on Rules, in order to provide for the printing of the Senate Journal of the Fourth Called Session of the Thirty-fifth Legislature, and to provide for officers and employes to close up post-session clerical work, beg to report as follows:

1. That 250 volumes of the Senate Journal of the Fourth Called Session, when completed, shall be printed and bound in full law sheep or buckram, and that one volume when thus bound shall be forwarded

S. B. No. 29.

An Act fixing the salary of the Adjutant General and making an appropriation of \$5100.00 or so much thereof as may be necessary out of the moneys in the State Treasury for the years ending

August 31, 1918 and August 31, 1919; repealing all laws or parts of laws in conflict therewith; and declaring an emergency.

Be it enacted by the Legislature of the State of Texas.

Section 1. That from and after the first day of April, 1918, the Adjutant General of the State of Texas shall receive an annual salary of three thousand six hundred (\$3600.) dollars, and each year thereafter he shall receive an annual salary of three thousand six hundred (\$3600.) dollars.

Section 2. That the following sums of money or so much thereof as may be necessary be, and same are hereby appropriated out of any money in the State Treasury not otherwise appropriated for paying the salary of the Adjutant General.

For the months of April to August inclusive of the fiscal year ending August 31, 1918, \$1500.00.

For the fiscal year ending August 31, 1919, \$3600.00.

Section 3. That all laws or parts of laws in conflict herewith, be and the same are hereby repealed.

Section 4. The fact that the salary of the Adjutant General was fixed by one Act of the First Called Session of the Thirty-fifth Legislature at three thousand six hundred (\$3600) dollars and by another Act passed at the same session of three thousand (\$3000) dollars and the fact that by one Act passed at the same session of the Thirty-fifth Legislature the sum of only three thousand dollars was appropriated for the payment of the salary of the Adjutant General for each of the years ending August 31, 1918 and August 31, 1919, and by another Act passed at the same session of said Legislature the sum of only two thousand (\$2000) dollars was appropriated for each of said years for the payment of the salary of the Adjutant General, great confusion and doubt has arisen as to the intention of the Legislature with reference to such matters, and the fact that the question of the amount of the salary of the Adjutant General and of appropriations made to pay the same should be definitely determined and settled at once and the fact that this session will adjourn within less than thirty days and that there are many bills already on the calendar

and the fact that the work of the Adjutant General's Department has been greatly increased by reason of the state of war existing between this country and foreign enemies, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days in each house be suspended, and it is so suspended, and that this Act be in force and effect from and after its passage and it is so enacted.

An Act to provide for the teaching of lessons in patriotism in the public schools of this State, for the proper display of the United States flag in connection with every public school of the State, and directing the State Superintendent of Public Instruction, county and city superintendents of public instruction in the discharge of their duty relative thereto, and declaring an emergency.

Be it enacted by the Legislature of the State of Texas:

Section 1. That the daily program of every public school in this State shall be so formulated by the teacher, principal, or superintendent as to include at least ten minutes for the teaching of lessons of intelligent patriotism, including the needs of the State and Federal governments, the duty of the citizen to the State, and the obligation of the State to the citizen.

Sec. 2. That the board of trustees of each and every common, independent or municipal school district be and is hereby required to provide for a suitable United States flag and flag pole for each school building in the district, and the expense incurred in carrying out this provision

of the law shall be paid out of the funds of the district.

Sec. 3. It shall be the duty of the State Superintendent of Public Instruction to issue to each county and city superintendent of public instruction in this State the necessary instructions as to the enforcement of this law, and it shall be the duty of the county and city superintendents of public instruction in every county in this State to see that the provisions of this law and the instructions of the State Superintendent of Public Instruction relative to this law are carried out. The county superintendent of public instruction shall not approve for payment any vouchers drawn on the funds of the district until such district shall have complied with the provisions of this Act; nor shall the president of any school board of any independent or municipal school district in this State approve vouchers for the payment of any account until the provisions of this law have been complied with in every particular.

Sec. 4. Any official or employee of the public free schools failing to perform his or her legal duty in connection with the administration of this law shall be deemed guilty of a misdemeanor, and shall be subject to a fine of not more than five hundred dollars or removal from office or both fine and removal from office.

Sec. 5. The fact that this nation is now at war with a foreign foe, and that the strength of a government of the people, by the people, and for the people must necessarily come of its citizenship, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended and that this Act shall be in force from and after its passage and it is so enacted.

Whereas, It has come to the knowledge of the Texas Legislature that the Federal Government has called upon the University of Texas to assist in training mechanics for the army; and,

Whereas, The buildings at present occupied by the ground school of Military Aeronautics will accommodate a large number of these mechanics; and

Whereas, This makes it necessary for the University to provide an additional place for the accommodation of the ground school of Military Aeronautics, involving an expenditure of approximately \$250,000; now, therefore, be it

Resolved by the Senate, the House of Representatives concurring, first: That the use of Camp Mabry be extended to the Board of Regents of the University of Texas for the school of Military Aeronautics, and, second: That it is the sense of this Legislature that in the event the war should close before the earnings of the school of Military Aeronautics shall reimburse the Board of Regents of the University of Texas for the expenditures incurred, the State of Texas should be responsible for such balance in the building account as may remain unpaid at that time, it being understood that in the event these buildings are completely paid for before the close of the war, they shall become the property of the State for the use of the National Guard or for any other purpose which may seem wise.

Whereas, The Legislature of the State of Texas by the terms and provisions of House Concurrent Resolution No. 22 approved April 2, 1917.

Instructed the Board of Penitentiary Commissioners of the State of Texas with the approval and consent of the Governor and Attorney General, to sell and dispose of the property at the Rusk Penitentiary, known as the State's Iron Industry, and

Whereas, An acceptable bid has been made by L. P. Featherstone, acting as the President of the Texas Steel Co., of Beaumont for the purchase of said property on behalf of the said Texas Steel Co., and

Whereas, The Governor has made known to the Legislature the fact that he holds a small quantity, to wit \$500 of the capital stock of said company, taken by him as a citizen of Beaumont, in common with other citizens of Beaumont in an effort to induce said company to locate in said city of Beaumont, and

Whereas, An opinion has been given by the Attorney General upon request of the Governor, that the holding of such stock disqualifies the Governor from approving or consenting to said sale and purchase, and

Whereas, It is necessary that some one act in lieu of the Governor in so approving such transaction; now, therefore, be it

Resolved by the Senate of Texas, the House of Representatives concurring, That the President Pro Tem. of the Senate and Acting Lieutenant Governor of Texas be, and he is hereby authorized and empowered to perform and do each and every act required of the Governor of Texas under the terms of House Concurrent Resolution No. 22. And that the said President Pro Tem. of the Senate and Acting Lieutenant Governor be authorized to approve said sale.

Whereas, The reports of the various sub-committees that investi-

gated the different departments and institutions of the State contain the complete findings of said committees embracing valuable information concerning the conduct and operation of such departments and institutions, together with a financial summary or audit of receipts and disbursements, giving reasons for the recommendations contained in the brief report of the central executive committee, and

Whereas, This complete report of the sub-committee has not been printed and is not easily accessible to the members of this Legislature and the public generally, and

Whereas, It is estimated by the State Expert Printer that 500 copies can be printed for \$300, and 1000 copies can be printed for \$375, and

Whereas, It is important that the members of this Legislature and the Thirty-sixth Legislature be furnished a copy of this report, in order that they may better understand the true conditions that prevail in the management of the State's financial affairs, and thereby be better prepared to enact the proper legislation to cut out the defects, irregularities and extravagance existing in the State government and place this State on a sound and economical basis; therefore, be it

Resolved by the House of Representatives, the Senate concurring, That 1000 copies of the reports of the sub-committees of the State Investigating Committee, be printed under the supervision of Mr. W. V. Howerston, Secretary of the Senate Investigating Committee, the cost of printing to be paid for out of the contingent fund of the House and Senate, and that one copy be furnished each member of the Senate and House of the Thirty-fifth Legislature, and one copy furnished each new member of the Senate and House of the Thirty-sixth Legislature, and that the remaining copies be placed with the Secretary of State and sold at a price to be fixed by the State printer.
